## PROGRAM DESCRIPTION

GED test preparation includes Reading, Science, Social Studies, Math and Language. Our prescriptive learning model meets individual needs. Students work independently in a state-of-the-art lab using the latest computer software and a wide variety of study materials. Dedicated teachers work one-on-one to manage student progress in preparation of taking and successfully passing the GED® exam.

### **Distant/Hybrid Courses:**

Students enrolled in distant and/or hybrid courses should have daily access to a computer with internet and must have a valid email address that they check daily. Additionally, students should have all necessary hardware and software components required by their technology program or adult education course.
