***Many of Our Programs Will Prepare You For
A Career in a Year!***

CLASSES BEGIN: Monday, June 12, 2017
LAST DAY OF SEMESTER: Friday, August 11, 2017
DAYS IN TERM: 44

Registration Hours:

Monday – Thursday: 7:30 am – 5:00 pm

Friday: 7:30 am – 3:00 pm

Saturday: 8:00 am – 12:00 pm

TABE (*Test of Adult Basic Education*)

Testing Schedule \$15 Fee

Tuesday & Thursday: 8:00 am

Tuesday: 5:00 pm

Testing must be scheduled in advance.
You must arrive 15 minutes before the scheduled start time. Please bring a valid government photo ID.

Most programs are approved for Veteran's training. Approved programs are indicated by the symbol -*- . Hybrid/online courses require veterans to be on campus during 100% of the instructional time.

COUNCIL ON OCCUPATIONAL EDUCATION (COE) APPROVED DELIVERY METHODS

Traditional: 100% classroom-based

Hybrid: Less than 50% of required instructional hours available via distance education

Distance: 50% or more of required instructional hours available via distance education

Distance/Hybrid Courses: Students enrolled in distance and/or hybrid courses should have daily access to a computer with internet and must have a valid email address that they check daily. Additionally, students should have all necessary hardware and software components required by their technology program or adult education course.

Admission Requirements:

Schedule the TABE (\$15) or provide official documentation for a TABE exemption to your program counselor.

Schedule an appointment with your program counselor for TABE results and/or a program specific orientation.

Register for classes during open enrollment. Please be advised that registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.

Counselor 754.321.5891**

Prepare for a rewarding, in-demand career in Vision Care by learning the skills to assist an Optometrist or an Ophthalmologist. Students learn the procedures and equipment used in diagnosing and treating eye and vision deficiencies and office procedures to work in an eye doctor's office or clinic. *Applicants must complete a physical examination and immunization record prior to acceptance. There is an online component to this program. Next Admission: August 2017*

**PATIENT CARE TECHNICIAN -*-
600 hrs | 6 months **Hybrid**
Counselor 754.321.5753**

This program offers advanced training for employment in various healthcare facilities under the direct supervision of a professional nurse. The Patient Care Technician (PCT) will come in direct contact with the patient while performing assigned duties for clients in their homes, hospitals or nursing homes. Students also receive supplementary training in 12-lead EKG, basic phlebotomy techniques and rehabilitation aide training. Upon completion of the program, the student may take the State Nursing Assistant Certification Examination. Completion of this program and other requirements qualifies the student to be given advanced standing in McFatter Tech College's Practical Nursing program.

Applicants must attend a general orientation, and interview with the program counselor. All accepted students must have a physical exam, immunization, drug screening, and background check (fingerprinting) completed prior to the first day of class.

There is an online component to this program. Next Admission: August 2017

PHARMACY TECHNICIAN -*-
1050 hrs | 10 months Hybrid
Counselor 754.321.5891

Applied Technology Diploma (ATD) Program

This is a course that combines theory, lab and clinical experience in both Community and Hospital Pharmacy. Students will work with licensed pharmacists and technicians in their clinical area to get valuable hands-on experience needed to obtain a job in any discipline of pharmacy.

Applicants must complete a drug screening, background check, and a physical examination and immunization record prior to acceptance.

There is an online component to this program.

Next Admission: August 2017

PRACTICAL NURSING -*-
1350 hrs | 12 months Hybrid
Counselor 754.321.5753

Train to become a licensed Practical Nurse working in a variety of healthcare settings. A licensed Practical Nurse is responsible for patient care, and works under the supervision of a physician or registered nurse in long-term care facilities, hospitals, clinics, physicians' offices, home health and hospice agencies. Applicants should have the ability to handle responsibility and be interested in caring for patients of all ages. Under an articulation agreement, graduates may advance into the Registered Nurse program at Broward College. Upon completion of the program, the student will take the NCLEX Examination.

Applicants must attend a general orientation, and interview with the program counselor. All accepted students must have passing scores on the TABE and TEAS, or an acceptable exemption, a physical exam, immunization, drug screening, and background check (fingerprinting) completed prior to the first day of class.

This program is accredited by:
