Dental Laboratory Technology

Where Your Next Chapter Begins...

Program Description

Are you looking for a career with high earning potential and flexibility? The Dental Laboratory Technology program is the program for you. If you are creative, detail-oriented, like to work with your hands and can distinguish between subtle shades of color, you can enter a rewarding field. Nothing is more satisfying than knowing you put a beautiful smile on someone's face.

Employment opportunities are available nationwide. You can work for a dental laboratory or you can own one.

The dental laboratory classroom is located in the Medical Building (Building 2), and is designed with equipment to provide hands-on training with the tools you will use in the workplace.

Admission Requirements

Applicants must have a standard high school diploma or GED®.

Schedule the Tests of Adult Basic Education (TABE) (\$15) or provide official documentation for a TABE exemption to your program counselor.

Schedule an appointment with your program counselor for TABE results and/or a program specific orientation.

Applicants must complete a physical examination report and immunization record.

Register for classes during open enrollment. Please be advised that registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.
