PATIENT CARE ASSISTANT -*-* 290 hrs | 2 months  Hybrid
Counselor 754.321.5753
Patient Care Assistants (PCA’s) receive additional training that expands the traditional role of the nursing assistant. This training includes an increase in laboratory hours, a component related to home health and a component related to caring for patients in hospitals. Under the direct supervision of a nurse, the PCA will come in direct contact with the patient in the performance of their assigned duties for clients in their home, a hospital or a nursing home. Upon completion of the program, the student may take the State Nursing Assistant Certification Examination. Completion of this program also qualifies the student to be given advanced standing in McFatter Tech College’s Practical Nursing and Patient Care Technician programs.
Applicants must attend a general orientation, and interview with the program counselor. All accepted students must have a physical exam, immunization, drug screening, and background check (fingerprinting) completed prior to the first day of class.
There is an online component to this program.
M – F 8:00 am – 3:30 pm  290 hrs  $889

PATIENT CARE TECHNICIAN -*-* 600 hrs | 6 months  Hybrid
Counselor 754.321.5753
This program offers advanced training for employment in various healthcare facilities under the direct supervision of a professional nurse. The Patient Care Technician (PCT) will come in direct contact with the patient while performing assigned duties for clients in their homes, hospitals or nursing homes. Students also receive supplementary training in 12-lead EKG, basic phlebotomy techniques and rehabilitation aide training. Upon completion of the program, the student may take the State Nursing Assistant Certification Examination. Completion of this program and other requirements qualifies the student to be given advanced standing in McFatter Tech College’s Practical Nursing program.
Applicants must attend a general orientation, and interview with the program counselor. All accepted students must have a physical exam, immunization, drug screening, and background check (fingerprinting) completed prior to the first day of class.
There is an online component to this program.
M – F 8:00 am – 3:30 pm  600 hrs  $1838

PRACTICAL NURSING -*-
1350 hrs | 12 months Hybrid
Counselor 754.321.5753

Train to become a licensed Practical Nurse working in a variety of healthcare settings. A licensed Practical Nurse is responsible for patient care, and works under the supervision of a physician or registered nurse in long-term care facilities, hospitals, clinics, physicians’ offices, home health and hospice agencies. Applicants should have the ability to handle responsibility and be interested in caring for patients of all ages. Under an articulation agreement, graduates may advance into the Registered Nurse program at Broward College. Upon completion of the program, the student will take the NCLEX Examination.
Applicants must attend a general orientation, and interview with the program counselor. All accepted students must have passing scores on the TABE and TEAS, or an acceptable exemption, a physical exam, immunization, drug screening, and background check (fingerprinting) completed prior to the first day of class.
