NETWORK SUPPORT SERVICES -*- Traditional
1050 hrs | 10 months Traditional
Counselor 754.321.5840
Local Area Networks, as well as the internet, consist of routers, switches and servers communicating through the implementation of routing protocols in the LAN and WAN. The Network Support Services Program prepares you to meet the challenges of computer diagnostics, LAN development and WAN integration. Earn your Cisco CCNA, CompTIA, A+ and Network+ certifications and develop hands-on skills that make you a leader in the field of technology. Topics include: subnetting, routing, (RIP, EIGRP, OSPF), wireless, logical and topological design, VLAN, access control lists, and troubleshooting using a layered model.
M – F 9:00 am – 3:30 pm 510 hrs $1606

NURSING ASSISTANT (Articulated) -*- Traditional
165 hrs Hybrid
Counselor 754.321.5753
Wherever there is a need for personal care, Certified Nursing Assistants (CNAs), nurses aides or orderlies are there. Nursing assistants are the caregivers who, for the most part, help patients of all ages perform the most basic day-to-day tasks. CNA’s work in a variety of healthcare facilities such as nursing homes or home settings under the direct supervision of a nurse. Since they have extensive daily contact with each patient, they play a key role in keeping the nurse up-to-date on the patients’ conditions, while performing such tasks as, but not limited to, dressing, bathing, feeding, bed-making, toilet assisting, taking vital signs, assisting with walking and safety. This is an excellent short-term course that offers great rewards. Upon completion of the program, the student may take the State Nursing Assistant Certification Examination. Applicants must attend a general orientation, and interview with the program counselor. All accepted students must have a physical exam, immunization, drug screening, and background check (fingerprinting) completed prior to the first day of class. There is an online component to this program.
M – F 8:00 am – 3:30 pm 165 hrs $1606

PATIENT CARE ASSISTANT -*- Traditional
290 hrs | 2 months Hybrid
Counselor 754.321.5753
Patient Care Assistants (PCA’s) receive additional training that expands the traditional role of the nursing assistant. This training includes an increase in laboratory hours, a component related to home health and a component related to caring for patients in hospitals. Under the direct supervision of a nurse, the PCA will come in direct contact with the patient in the performance of their assigned duties for clients in their home, a hospital or a nursing home. Upon completion of the program, the student may take the State Nursing Assistant Certification Examination. Completion of this program also qualifies the student to be given advanced standing in McFatter Tech College’s Practical Nursing and Patient Care Technician programs.
Applicants must attend a general orientation, and interview with the program counselor. All accepted students must have a physical exam, immunization, drug screening, and background check (fingerprinting) completed prior to the first day of class. There is an online component to this program.
M – F 8:00 am – 3:30 pm 290 hrs $889

PATIENT CARE TECHNICIAN -*- Traditional
600 hrs | 6 months Hybrid
Counselor 754.321.5753
This program offers advanced training for employment in various healthcare facilities under the direct supervision of a professional nurse. The Patient Care Technician (PCT) will come in direct contact with the patient while performing assigned duties for clients in their homes, hospitals or nursing homes. Students also receive supplementary training in 12-lead EKGs, basic phlebotomy techniques and rehabilitation aide training. Upon completion of the program, the student may take the State Nursing Assistant Certification Examination. Completion of this program and other requirements qualifies the student to be given advanced standing in McFatter Tech College’s Practical Nursing program.
Applicants must attend a general orientation, and interview with the program counselor. All accepted students must have a physical exam, immunization, drug screening, and background check (fingerprinting) completed prior to the first day of class. There is an online component to this program.
M – F 8:00 am – 3:30 pm 600 hrs $1838

OPTOMETRIC ASSISTING -*- Traditional
1080 hrs | 10 months Hybrid
Counselor 754.321.5891
Prepare for a rewarding, in-demand career in Vision Care by learning the skills to assist an Optometrist or an Ophthalmologist. Students learn the procedures and equipment used in diagnosing and treating eye and vision deficiencies and office procedures to work in an eye doctor’s office or clinic. Applicants must complete a physical examination and immunization record prior to acceptance. There is an online component to this program.
