TRANSPORTATION, DISTRIBUTION & LOGISTICS

---

***Many of Our Programs Will Prepare You For  
A Career in a Year!***

## Semester Information

**First Day of the Semester: Monday, August 21, 2017**

**Last Day of the Semester: Friday, December 22, 2017**

**Days in Semester: 83**

### Admissions Requirements

Schedule the Tests of Adult Basic Education (TABE) or provide official documentation for a TABE exemption to your program counselor.

Schedule an appointment with your program counselor for TABE results and/or a program specific orientation. Please note, programs under the following career clusters may have additional requirements for program admission: Education & Training, Law, Public Safety & Security, Health Science, and Information Technology.

Register for classes during open enrollment. Please be advised that registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.

### TABE (Tests of Adult Basic Education)

Appointments for testing must be scheduled in advance with the Registration Office. There is a \$15 non-refundable assessment fee for testing.

### Testing Schedule:

**Tuesday & Thursday: 8:00 am**

**Thursday: 5:00pm**

*Please arrive at least 15 minutes prior to the start time of your scheduled test. You must have a valid government photo identification to participate in testing.*

### Transfer Policy

Students with prior training or experience may be eligible for advanced placement upon approval of the institution.

### Articulation

Upon completion of the technical program and meeting eligibility requirements, students may be awarded credits towards an Associate of Science (A.S.) Degree or Associate of Applied Science (A.A.S.) Degree at selected Florida state colleges.

### Financial Services

Financial assistance is available to those who qualify. Visit [fafsa.ed.gov](http://fafsa.ed.gov) to apply.

### Veterans Educational Benefits

Most programs are approved for veterans training. Approved programs are indicated by the -\* symbol. Hybrid/Distance courses require veterans to be on campus for 100% of the required instructional hours.

### Registration Information

Each semester has a \$40 non-refundable registration fee (lab fee and applicable insurance fee for Health Science programs).

There is an annual \$10 Student Activity Fee. Tuition and fees are subject to change without notice.

Tuition and fees listed are for Florida residents (documentation of 12 consecutive months in Florida required). Tuition for out-of-state students is calculated at a higher rate.

Books and supplies are separate from tuition and fees.

Classes are subject to cancellation if minimum enrollment is not met. Please see page 22 for our Refund Policy.

### Program Delivery Methods

Traditional - 100% classroom based

Hybrid - Less than 50% of required instructional hours available via distance education.

Distance - 50% or more of required instructional hours available via distance education.

Students enrolled in distance and/or hybrid courses should have daily access to a computer with internet and must have a valid email address that they check daily. Additionally, students should have all necessary hardware and software components required by their program.

### Grading System

The district prescribed guidelines are used to evaluate student performance as follows:

A	90-100%	D	60-69%
B	80-89%	F	0-59%
C	70-79%	I	Incomplete

### Hours of Operations

#### Office of Admissions

**Monday - Thursday: 7:00am - 5:00pm**

**Friday: 7:00am - 3:00pm**

**Saturday: 8:00am - 12:00pm**

#### Registration

**Monday - Thursday: 8:00am - 5:00pm**

**Friday: 8:00 am - 2:30pm**

**Saturday: 8:00 am - 12:00pm**

#### Financial Aid

**Monday - Thursday: 8:00am - 4:00pm**

**Friday: 8:00am - 3:00pm**

**Saturday: Closed**

### **GAINFUL EMPLOYMENT:**

For more information about our graduation rates, the median debt of students who have completed the programs, and other important information, please visit our website at **[www.mcfattertechnicalcollege.edugainful-employment-pages/](http://www.mcfattertechnicalcollege.edugainful-employment-pages/)**

*Look for the icon to find out more information on your specific program.*

Opened in 1985 with the addition of the Hospitality Building in 1996 and the Technical High School in 1998, McFatter Technical College operates on a \$26 million complex on 24 acres at the corner of Davie Road and Nova Drive, in the Town of Davie, Florida.

A major event occurred on June 24, 2014, when the School Board of Broward County officially changed our name to McFatter Technical College. Hence, a new era in career, technical and adult education was launched.

McFatter Technical College was established as an area postsecondary technical college of the School Board of Broward County, Florida to offer technical education to both adults and secondary students in over forty program areas.

In addition, McFatter holds membership, partnership or affiliation with over fifteen local, state and national organizations.

Industry-validated curriculum, complemented by state-of-the-art laboratories and equipment were designed to meet current and future employment needs of South Florida business and industry. The curriculum and specialized practical laboratory experiences have enabled students to acquire, refine and upgrade occupational skills on a full-time or part-time basis in day and evening classes, hybrid or face-to-face delivery.

## CAMPUS INFORMATION

Obtain information regarding faculty, code of conduct, campus map, school calendar and grievance information, by scanning the QR code below or in the McFatter Technical College and High School catalog available upon request.

## ADOBE AUTHORIZED TESTING CENTER

**Adobe & Microsoft Certification**

McFatter Technical College is a Certiport Authorized Testing Center offering individuals the current and relevant digital skills and credentials for the competitive global workforce.

For testing information, call 754-321-5700.

**Located at west side of campus -  
Academic Resource Center  
6596 Nova Drive, Davie**

**Adult Basic Education (ABE) 754-321-5768**

The Adult Basic Education course of instruction is designed to improve the employability of the state's workforce through instruction in mathematics, reading, language, workforce readiness for students who score below the ninth grade level on the Tests of Adult Basic Education (TABE). This course also includes Action Steps to Employment instruction.

**Applied Academics  
for Adult Education (AAAE) 754-321-5768**

The AAAE program is designed for students who have tested at the equivalent of ninth grade and above, but need to improve their basic skills to meet the requirements of a Career and Technical Education (CTE) program in which they are enrolled. This course also includes Action Steps to Employment instruction.

**Test of Essential Academic Skills  
(TEAS) 754-321-5768**

In order to help students prepare for a passing score on the TEAS, which is required for admission to the Practical Nursing (PN) program, a comprehensive preparatory course is offered in a face-to-face or online format.

**AGE Course Hours and Schedule**

Class	M-F	8:30 am - 11:30 am	\$30
Class	M-F	12:00 pm - 3:00 pm	\$30
Class	M-Th	6:00 pm - 9:00 pm	\$30
Class	Sat	8:00 am - 12:00 pm	\$30
Online	12 hours per week		\$30

**General Educational Development (GED®)  
754-321-5822**

The GED® test preparation course includes instruction in reading, science, social studies, math and language to assist students in preparing and successfully passing the GED® exam. This is an open-entry/open-exit, self-paced and performance-based evaluation course. The GED® exam is offered through our authorized testing center. Please visit [www.ged.com](http://www.ged.com) for additional information. This course also includes Action Steps to Employment instruction.

**GED® Test Preparation Course Hours  
and Schedule**

**M - F 7:00 am - 10:00 am 249 hrs \$872**

**M - F 10:45 am - 1:45 pm 249 hrs \$872**

## **AUTOMOTIVE SERVICE TECHNOLOGY -\*** 1800 hrs | 18 months | **Hybrid**

Counselor 754.321.5840 | Approx. Total Cost \$6742

Enrollment: August, October, January, March and June

Master the knowledge and skills necessary for employment as an Automotive Technician. In this NATEF accredited program, students will train in all eight (8) ASE areas and will learn all aspects of automobile mechanical repair. Students must exhibit strong reading, math and computer skills necessary to complete the on-line portions of the program. They must also possess strong mechanical aptitude to prove hands-on mechanical competency. Students are encouraged to complete the program in its entirety. Program graduates can take advantage of existing articulation agreements and be awarded credit towards an A.S. degree at the college level.

**M - F 8:00 am - 2:30 pm 498 hrs \$1693**

### BAKING & PASTRY ARTS -\*- 600 hrs | 6 months | **Hybrid**

Counselor 754.321.5732 | Approx. Total Cost \$2326

Enrollment: January

This program offers a sequence of courses preparing the student in preparation, presentation and serving a wide variety of baked, pastry and dessert goods. Leadership, communication, and employability skills, as well as safe/efficient work practices are also covered.

**Next Admission: January 25, 2018**

M - Th	Online	2:45 pm - 4:30 pm
M - Th	Class	4:30 pm - 10:00 pm
F		Online

### CLOUD COMPUTING & VIRTUALIZATION -\*-

900 hrs | 9 months | **Distance**

Counselor 754.321.5840 | Approx. Total Cost \$3311

Enrollment: January, June and August

Cloud Computing and Virtualization prepares students to work with the emerging industry of cloud computing. Master emerging cloud technologies, architecture design, infrastructure and network fundamentals. Students will learn how to adopt, operate and govern the various technologies and business models related to virtualization and cloud computing. Students will prepare to successfully complete the Cloud+ and VMware certification exams.

*Additional Admissions Requirements:  
Online Readiness Assessment.*

M - F	Online	498 hrs	\$1569

**EARLY CHILDHOOD EDUCATION - \*-****600 hrs | 1 year Part-Time | Hybrid****Counselor 754.321.5753 | Approx. Total Cost \$2045****Enrollment: August**

Train for a career in the Early Childhood industry. This program focuses on all elements, techniques and experiences of the early childhood profession. Completion of the Early Childhood Education program, including 480 hours of direct contact with 3-to 5-year-olds in a pre-school setting, will result in the issuance of a Florida Department of Education Early Childhood Professional Certificate (ECPC), which is accepted for the DCF (Department of Children and Families) Staff Credential. An option to pursue the national/CDA credential is available.

*Actual start and end times will vary based on internship and online assignments.*

*Additional Admissions Requirements: High School Diploma or GED®.*

<b>M - F</b>	<b>9:15 am - 12:45 pm</b>	<b>291 hrs</b>	<b>\$907</b>
--------------	---------------------------	----------------	--------------

### ELECTROCARDIOGRAPH (EKG) TECHNOLOGY -\*

465 hrs | 5 months | **Hybrid**

Counselor 754.321.5891 | Approx. Total Cost \$1682

**Enrollment: January and August**

The Electrocardiograph (EKG) Technology program is designed to successfully train students in becoming EKG Technicians, who are employable in hospitals and cardiology offices. Students will learn to operate equipment that measures and records heart activity and differentiate between normal and abnormal monitoring and testing results.

*Additional Admissions Requirements: Physical examination and immunization record, drug screening (approved vendor only), and background check (approved vendor only).*

**M-Th 3:30 pm – 10:00 pm 462 hrs \$1408**

### EMERGENCY MEDICAL TECHNICIAN - ATD -\*

300 hrs | 3 months | **Traditional**

Advisor 754.321.1306 | Approx. Total Cost \$1718

**Enrollment: January, April and August**

Learn to work as a member of an emergency medical team administering first aid treatment and transporting sick or injured persons to a medical facility. This program includes: theory, emergency room rotations, fire rescue ride time, handling of equipment and other designated tasks performed under hazardous and non-hazardous conditions. Three (3) fire department rides and three (3) hospital clinicals must be completed on a Friday, Saturday or Sunday.

*Additional Admissions Requirements: High School Diploma or GED®, physical examination and immunization record, drug screening (approved vendor only), and background check (approved vendor only).*

**M-Th 10:00 am – 3:30 pm 300 hrs \$1313**

### FIRE FIGHTER I/II -\*- | 398 hrs | **Traditional**

Advisor 754.321.1306 | Approx. Total Cost \$3016

**Enrollment: January, April, July and October (Days)**

**January and June (Evening/Saturdays)**

The Fire Academy prepares students to become certified firefighters. This program combines class work with field activities and includes the completion of designated tasks performed under hazardous and non-hazardous conditions that meet national and local certification requirements.

**PREREQUISITE: EMT Certification**  
(Please see Emergency Medical Technician-ATD)

**M - F 7:00 am – 5:00 pm 398 hrs \$2129**

**T & Th 5:00 pm – 10:00 pm 398 hrs \$2149**  
**& Sat 7:00 am – 5:30 pm**

**GAME/SIMULATION/ANIMATION PROGRAMMING -\*-**

**600 hrs | 6 months | Distance**

Counselor 754.321.5840 | Approx. Total Cost \$2203

Enrollment: August and January

The student will learn programming fundamentals, game design, set design, animation, and game engine development, as well as how to make games and simulations that are dynamic using *FLASH CS5*, *Game Maker* and *Unity3D*. The student will be prepared to join the game industry in varied roles as a game programmer, game designer and software developer.

M – F                      Online                      \$1880

**GRAPHIC COMMUNICATIONS & PRINTING TECHNOLOGY -\*-**

**1650 hrs | 16 months | Hybrid**

Counselor 754.321.5840 | Approx. Total Cost \$6123

Enrollment: August, October, January, March and June

Prepare for a high demand career. Get hands-on experience and instructional opportunities in *Adobe InDesign*, *Illustrator*, and *Photoshop* software. Learn the principles of typography, design and layout, computer-to-plate technology, platemaking, small press and bindery operations. # Student Success Story

## Claudia de Brito

### ESOL - English for Speakers of Other Languages

Approximately 4,700 miles stand between Argentina and South Florida. But for former McFatter student Claudia de Brito, it meant a whole new world of opportunities.

For Claudia, studying English was her first step towards learning about this new culture. She started other courses prior to attending McFatter, but soon realized they didn't compare. McFatter Technical College was her best choice.

With McFatter's ESOL program (English for Speakers of Other Languages), Claudia was able to learn and practice grammar, listening, reading, and conversation techniques. Moreover, she received information on living in the U.S. with regards to local rules, customs and even how to apply for a job.

"I attended every day, for 3 hours and without spending a lot of money. Going every day and practicing English was the best way to learn."

When it came time for Claudia to finish the ESOL program, she was ready to search for employment and make a fresh start in this new town. McFatter Technical College's Career Center was there to help. She received guidance on how to compose a resume and cover letter, as well as how to search for a job and tips of dressing for an interview.

"It helped me a lot! These tips are important for people who come from other cultures."

Because of her perseverance and willingness to learn, she was able to secure a job in the Broward County Public School System as a childcare monitor. Similar to her previous experience in Argentina, she supervises children, prepares meals, and organizes activities. She develops schedules and routines to ensure the children get enough physical activity, rest, and playtime.

Claudia's time at McFatter helped guide her through the difficult transition and paved a way to her current position. But it was her determination that gave her the strength to push through and accomplish her goals.

Her advice to current McFatter students, especially those in the ESOL program, is to never give up and always give your best.

"One day you feel strong and you think you have learned a lot and other days you feel like you don't know anything. Don't get frustrated. Every day you can learn something new. You are in a different country, different culture, with different rules. But little by little you'll begin to fit in. There are a lot of nice people who don't hesitate to offer help. Accept it and be grateful [for] them. All of us need others to accomplish our dreams. Give your best [while] studying, working, and loving and the results will come."

## Refund Policy

School Board Policy 6607 governs refunds of all programs.

All refunds shall be accounted for and audit trails maintained in accordance with Business Practice Bulletins issued by the Office of the Chief Financial Officer.

Students who appear at the school in person and voluntarily withdraw within five (5) school days of the beginning of a term shall be entitled to a full refund of tuition, student activity fee, fee-supported cost recovery, and lab/supply fees. Registration fees and Health Science Education fees are non-refundable. Five (5) school days shall not apply to courses less than three (3) weeks or ninety (90) hours in duration. In such cases, the request for withdrawal must be made prior to the course meeting more than one-third (1/3) of its assigned hours. Retention of fees collected in advance for a student who does not enter class shall not exceed \$100. Refunds will be made within forty-five (45) days of the date on which the student voluntarily withdraws.

Students involuntarily withdrawn pursuant to the Adult Student Conduct and Discipline Code are not entitled to a refund of any fees.

Students who pay fees but are entitled to a waiver, voucher or agency payment (refer to Policy #6606) shall be entitled to a refund of fees only if required evidence is presented to the school/college principal or his/her designee within fifteen (15) school days of the beginning of the term.

In the case of unusual or extraordinary circumstances (such as illness, death in family, etc.) that preclude a student's enrollment, the school principal or his/her designee may honor a request for full or partial refund of fees providing that: (1) the request is made in writing prior to the date

that the course would have normally ended, (2) supporting evidence (where appropriate) is provided. If said refund results in a failure to satisfy state fee requirements, the student shall not be reported for membership during the Workforce Education Fund survey period in the course for which the refund is given. Students who feel they have been treated unfairly in the application of this policy or its rules may appeal using the students' grievance procedure as presented in the Broward Technical Colleges Student Handbook.

Refunds, when due, will be made without requiring a request from a student.

Refunds, when due, will be made within forty-five (45) days: (1) of the last day of attendance if written notification of withdrawal has been provided to the school/college by the student, or (2) from the date the school/college withdraws the student or determines withdrawal by the student.

A student is entitled to a full refund of fees if a course is canceled by the school/college principal or his/her designee, provided however, that the student was not reported in membership during the Workforce Education Fund survey period in which the class was counted. If so, only those fees in excess of the state requirements shall be refunded.

Miscellaneous items purchased from the school bookstores (textbooks, uniforms, etc.) may be returned for a full refund provided that the items are unused, in the original packaging and currently being used in the instructional program.
