Where Your Next Chapter Begins...

Program Description

Digital Media/Multimedia Design offers a sequence of courses that provide industry relevant project work to prepare students for positions within fields such as Print or Web Design, Digital Photography, Videography and Video/Audio Editing. This course develops an artistic proficiency in which the student uses Photoshop, Illustrator, InDesign, Audition, Premiere Pro as well as Adobe Animate to create interactive animated web content. This is a hands-on program that provides students with the skills necessary for the design and production of websites, corporate branding, print marketing, as well as website and web-based video content. Students will create their own industry-ready online portfolio using WordPress to showcase all the design skills required to get started in the design industry.

Classroom Location: Communications Building, Room 147.

Software Requirements: Adobe Creative Cloud Subscription, Mac or PC computer.

Admission Requirements

Schedule the Tests of Adult Basic Education (TABE) ($15) or provide official documentation for a TABE exemption to your program counselor.

Schedule an appointment with your program counselor for TABE results and/or a program specific orientation.

Register for classes during open enrollment. Please be advised that registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.
