Medical Assisting

Where Your Next Chapter Begins...

Program Description

As a medical assistant, you form a crucial link between the patient and the physician. Your medical assisting training combines knowledge, communication and hands-on training that will provide you with the skills needed to be a successful healthcare team member. Classes and labs are held in the medical building (Building 2) in Rooms 204 and 205. The clinical externship is facilitated through several off-campus clinics.

A supervised practicum is provided at the end of the program. Students can not receive compensation for clinical work, whether it is monetary or gifts.

Admission Requirements

Applicants must have a standard high school diploma or GED®.

Schedule the Tests of Adult Basic Education (TABE) (\$15) or provide official documentation for a TABE exemption to your program counselor.

Schedule an appointment with your program counselor for TABE results and/or a program specific orientation.

Applicants must complete a physical examination report, immunization record, drug screening (approved vendor only), and background check (approved vendor only).

Register for classes during open enrollment. Please be advised that registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.
