Patient Care Technician

Where Your Next Chapter Begins...

Program Description

Are you eager to become a multi skilled healthcare provider in a growing medical field? Under the direct supervision of a professional nurse, the Patient Care Technician will come in direct contact with the patient in the performance of his or her assigned duties. This program is a blend of classroom, laboratory, and clinical instruction. The course content includes personal patient care skills, principles of infection control, home health care services, physical and safety functions, phlebotomy procedures, EKG modalities, restoration therapy, CPR and more.

The Patient Care Technician program is located in the Medical Building. In addition to a traditional classroom setting, a laboratory is available onsite.

Admission Requirements

Schedule the Tests of Adult Basic Education (TABE) (\$15) or provide official documentation for a TABE exemption to your program counselor.

Schedule an appointment with your program counselor for TABE results and/or a program specific orientation.

Applicants must complete a physical examination report, immunization record, drug screening (approved vendor only), and background check (approved vendor only).

Register for classes during open enrollment. Please be advised that registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.
