Welding Technology - Advanced

Where Your Next Chapter Begins...

Program Description

If you are ready to enhance your skills in the Welding industry, our Welding Technology – Advanced program is for you! This program will refine your skills in gas and electric welding equipment and your work with steel and aluminum. An emphasis will be placed on pipe skills. This advanced level program also consists of:

- Shielded Metal Arc Welding (SMAW) techniques
- Pipe fitting fabrication techniques
- Advanced Gas Tungsten Arc Welding (GTAW) skills
- Emerging technologies directly related to geographically relevant welding needs.

The Welding Technology Advanced program requires successful completion of Welding Technology and requires instructor approval.

The Welding Technology program is delivered in the Industrial Building. Students will receive instruction in the classroom and will practice hands-on skills in the shop/lab area. The classroom and shop/lab are equipped with the latest tools and equipment to deliver the program curriculum.

Admission Requirements

Schedule the Tests of Adult Basic Education (TABE) (\$15) or provide official documentation for a TABE exemption to your program counselor.

Schedule an appointment with your program counselor for TABE results and/or a program specific orientation.

Register for classes during open enrollment. Please be advised that registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.

Program Hours and Schedule

750 hours | 7 Months | Hybrid

Full time Days:

Monday - Thursday 8:00 am – 2:30 pm

Friday, online
