Medical Administrative Specialist

Where Your Next Chapter Begins...

Program Description

A Medical Administrative Specialist serves a key role in medical offices, clinics and hospitals. This multi-skilled practitioner is competent in medical records management, insurance processing, coding and billing, management of practice finances, information processing, and fundamental office management tasks.

This course provides a capstone of medical office functions, including medical terminology, office procedures and real life case studies specific to the medical environment. Students will focus on developing proficiency with computers using word processing, database, spreadsheet, and presentation software that meet industry standards. Students will also gain a strong background in office skills as well as business communication and customer service.

In addition, our program is designed to help students acquire current healthcare knowledge and administrative skills for which employers are hiring.

Classes are held in the Industrial Building and consist of classroom instruction and hands-on training. The classroom is equipped with the latest technology to deliver the program curriculum.

Admission Requirements

Schedule the Tests of Adult Basic Education (TABE) (\$15) or provide official documentation for a TABE exemption to your program counselor.

Schedule an appointment with your program counselor for TABE results and/or a program specific orientation.

Register for classes during open enrollment. Please be advised that registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.
