The William T. McFatter Technical College and Technical High School has a vision to change the lives of people from all backgrounds through innovative education.

In working to achieve this vision, it is our mission to promote excellence in academic, career, and technical studies in order to prepare students to enter and remain competitive in a global workforce.

Web Development

McFATTER

Where Your Next Chapter Begins...

Program Description

Unlock the secrets of Web development in all its forms by designing, coding and publishing websites that can work in mobile, tablet and desktop formats. To create Websites that are dynamic and engaging, the student will use cutting edge tools such as HTML5/CSS3, Photoshop, Dreamweaver, Premiere Pro, WordPress, Web database applications, and JavaScript. Students will also learn and work with eCommerce, SEO and Social Media management to develop a real-world portfolio using all of their acquired skills to gain entry level employment or start their own business as a Web designer and developer. Earn industry certifications from Adobe and CIW Internet Webmaster Professional. Students in this program will be given free Web hosting services to develop, host, and maintain their own portfolios.

There are two options for taking this program:
Option 1: Face-to-face instruction will be held in Building 1 and will be combined with an online component.
Option 2: Instruction will be provided primarily online.

Students enrolling in this program must have access to a computer with high-speed internet, 8GB of RAM, 500GB of hard drive free space, and Adobe Cloud CC. The coursework and applications used are compatible with Windows 7 or higher and/or Mac OS X 10.6 or higher.

Admission Requirements

Schedule the Tests of Adult Basic Education (TABE) ($15) or provide official documentation for a TABE exemption to your program counselor.

Schedule an appointment with your program counselor for TABE results and/or a program specific orientation.

Register for classes during open enrollment. Please be advised that registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.

Program Hours and Schedule

1050 hrs | 10 months | Hybrid or Distance

Hybrid: Monday - Friday 8:00am - 12:00pm and two hours of online work per day.
or
Distance: Daily login to Web platform required for 30 hours of instruction weekly.

Classes begin three times annually in August, January, and June.
