LAW, PUBLIC SAFETY & SECURITY • MANUFACTURING

TRANSPORTATION, DISTRIBUTION & LOGISTICS

***Many of Our Programs Will Prepare You For
A Career in a Year!***

Term Information

First Day of the Term: Thursday, June 6, 2019

Last Day of the Term: Tuesday, August 6, 2019

Days in Term: 43

Admissions Requirements

Schedule the Tests of Adult Basic Education (TABE) or provide official documentation for a TABE exemption to your program counselor.

Schedule an appointment with your program counselor for TABE results and/or a program specific orientation. Please note, programs under the following career clusters may have additional requirements for program admission: Education & Training, Law, Public Safety & Security, Health Science, and Information Technology.

Register for classes during open enrollment. Please be advised that registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.

TABE (Tests of Adult Basic Education)

Appointments for testing must be scheduled in advance with the Registration Office. There is a \$15 non-refundable assessment fee for testing.

Testing Schedule:

Tuesday & Thursday: 5:00pm

Please arrive at least 15 minutes prior to the start time of your scheduled test. You must have a valid government photo identification to participate in testing.

Transfer Policy

Students with prior training or experience may be eligible for advanced placement upon approval of the institution.

Articulation

Upon completion of the technical program and meeting eligibility requirements, students may be awarded credits towards an Associate of Science (A.S.) Degree or Associate of Applied Science (A.A.S.) Degree at selected Florida state colleges.

Financial Services

Financial assistance is available to those who qualify. Visit fafsa.ed.gov to apply.

Veterans Educational Benefits

Most programs are approved for veterans training.

Registration Information

Each semester has a \$40 non-refundable registration fee (lab fee and applicable insurance fee for Health Science programs).

There is an annual \$20 Student Activity Fee. Tuition and fees are subject to change without notice.

Tuition and fees listed are for Florida residents (documentation of 12 consecutive months in Florida required). Tuition for out-of-state students is calculated at a higher rate.

Books and supplies are separate from tuition and fees.

Classes are subject to cancellation if minimum enrollment is not met. Please see page 22 for our Refund Policy.

Program Delivery Methods

Traditional - 100% classroom based

Hybrid - Less than 50% of required instructional hours available via distance education.

Distance - 50% or more of required instructional hours available via distance education.

Students enrolled in distance and/or hybrid courses should have daily access to a computer with internet and must have a valid email address that they check daily. Additionally, students should have all necessary hardware and software components required by their program.

Grading System

The district prescribed guidelines are used to evaluate student performance as follows:

A	90-100%	D	60-69%
B	80-89%	F	0-59%
C	70-79%	I	Incomplete

GAINFUL EMPLOYMENT:

For more information about our graduation rates, the median debt of students who have completed the programs, and other important information, please visit our website at

www.mcfattertechnicalcollegeedu/gainful-employment-pages.

Look for the icon to find out more information on your specific program.

Opened in 1985 with the addition of the Hospitality Building in 1996 and the Technical High School in 1998, McFatter Technical College operates on a \$26 million complex on 24 acres at the corner of Davie Road and Nova Drive, in the Town of Davie, Florida.

A major event occurred on June 24, 2014, when the School Board of Broward County officially changed our name to McFatter Technical College. Hence, a new era in career, technical and adult education was launched.

McFatter Technical College was established as an area postsecondary technical college of the School Board of Broward County, Florida to offer technical education to both adults and secondary students in over forty program areas.

In addition, McFatter holds membership, partnership or affiliation with over fifteen local, state and national organizations.

Industry-validated curriculum, complemented by state-of-the-art laboratories and equipment were designed to meet current and future employment needs of South Florida business and industry. The curriculum and specialized practical laboratory experiences have enabled students to acquire, refine and upgrade occupational skills on a full-time or part-time basis in day and evening classes, distance, hybrid or face-to-face delivery.

CAMPUS INFORMATION

Obtain information regarding faculty, code of conduct, campus map, school calendar and grievance information, by scanning the QR code below or in the McFatter Technical College and High School catalog available upon request.

ADOBE AUTHORIZED TESTING CENTER

**Adobe &
Microsoft Certification**

McFatter Technical College is a Certiport Authorized Testing Center offering individuals the current and relevant digital skills and credentials for the competitive global workforce.

6596 Nova Drive, Davie

**The \$20 activity fee is for all
ABE, AAAE, GED and ESOL.**

Adult Basic Education (ABE) (754) 321-5768

The Adult Basic Education course of instruction is designed to improve the employability of the state's workforce through instruction in mathematics, reading, language and workforce readiness for students who score below the ninth grade level on the Tests of Adult Basic Education (TABE). This course also includes Action Steps to Employment instruction.

Applied Academics for Adult Education (AAAE) (754) 321-5768

The AAAE program is designed for students who have tested at the equivalent of ninth grade and above, but need to improve their basic skills to meet the requirements of a Career and Technical Education (CTE) program in which they are enrolled. This course also includes Action Steps to Employment instruction.

Test of Essential Academic Skills (TEAS) (754) 321-5768

In order to help students prepare for a passing score on the TEAS, which is required for admission to the Practical Nursing (PN) program, a comprehensive preparatory course is offered in a face-to-face or online format.

AGE Course Hours and Schedule

Class	M-F	8:30 am - 11:30 am	\$30
Class	M-F	12:00 pm - 3:00 pm	\$30
Class	M-Th	6:00 pm - 9:00 pm	\$30
Class	Sat	8:00 am - 12:00 pm	\$30
Online	12 hours per week		\$30

A Student Activity Fee of \$20.00 will be charged once per school year.

GED® Test Preparation (754) 321-5768

The GED® test preparation course includes instruction in reading, science, social studies, math and language to assist students in preparing and successfully passing the GED® exam. This is an open-entry/open-exit, self-paced and performance-based evaluation course. The GED® exam is offered through our authorized testing center. Please visit www.ged.com for additional information. This course also includes Action Steps to Employment instruction.

GED® Test Preparation Course Hours and Schedule

Class	M-F	8:30 am - 11:30 am	\$30

Online		14 hours per week

**APPLIED CYBERSECURITY****750 hrs | 7 months | Hybrid****Approx. Total Cost \$3509****Enrollment: August and January**

Applied Cybersecurity is a hands-on program that will give students real world security scenarios. Students will learn to protect computers from hackers, secure wireless networks, protect computers from malware and identify security threats. Students will also learn how to secure residential and business computers, and fill the demand at public and private companies to address internet security concerns in today's world. Students will prepare for Security+ and nationally recognized security industry certifications.

Additional Admissions Requirements: TABE, Online Readiness Assessment, CompTia A+ Certification and Network+ or CCNA, or be a program completer of Network Support Services.

M - F	Online	750 hrs	TBD
Saturdays	Class	8:00 am - 12:00 pm	

AUTOMOTIVE COLLISION TECHNOLOGY TECHNICIAN

1400 hrs | 14 months | **Traditional**

Approx. Total Cost \$5214

Enrollment: August, October, January, April and June

Prepare for employment in the collision repair industry. Areas of instruction include collision repair technology, paint repair technology, body shop office personnel, material supplier, sales, glass technician and related positions within insurance companies. Skills learned during the program include basic skills, sheet metal repair procedures, estimating, related mechanical and electrical repairs, human relations, employability skills, safe work practices and entrepreneurship. All instruction is delivered by an experienced ASE certified instructor who is county and/or state certified.

M - F 7:00 am - 1:45 pm 258 hrs \$891

M - F 7:00 am - 10:00 am 129 hrs \$466

M - F 10:45 am - 1:45 pm 129 hrs \$466

AUTOMOTIVE SERVICE TECHNOLOGY

1800 hrs | 18 months | **Hybrid**

Approx. Total Cost \$6414

Enrollment: August, October, January, April and June

Master the knowledge and skills necessary for employment as an Automotive Technician. In this NATEF accredited program, students will train in all eight (8) ASE areas and will learn all aspects of automobile mechanical repair. Students must exhibit strong reading, math and computer skills necessary to complete the on-line portions of the program. They must also possess strong mechanical aptitude to prove hands-on mechanical competency. Students are encouraged to take industry credential exams and complete the program in its entirety. Program graduates can take advantage of existing articulation agreements and be awarded credit towards an A.S. degree at the college level.

M - F 8:00 am - 2:30 pm 258 hrs \$891

**BAKING & PASTRY ARTS**600 hrs | 6 months | **Hybrid**

Approx. Total Cost \$2269

Enrollment: January

This program offers a sequence of courses preparing the student in presentation, preparation and serving a wide variety of baked, pastry and dessert goods. Leadership, communication, and employability skills, as well as safe/efficient work practices are also covered.

Refund Policy

School Board Policy 6607 governs refunds of all programs.

All refunds shall be accounted for and audit trails maintained in accordance with Business Practice Bulletins issued by the Office of the Chief Financial Officer.

Students who appear at the school in person and voluntarily withdraw within five (5) school days of the beginning of a term shall be entitled to a full refund of tuition, student activity fee, fee-supported cost recovery, and lab/supply fees. Registration fees and Health Science Education fees are non-refundable. Five (5) school days shall not apply to courses less than three (3) weeks or ninety (90) hours in duration. In such cases, the request for withdrawal must be made prior to the course meeting more than one-third ($1/3$) of its assigned hours. Retention of fees collected in advance for a student who does not enter class shall not exceed \$100. Refunds will be made within forty-five (45) days of the date on which the student voluntarily withdraws.

Students involuntarily withdrawn pursuant to the Adult Student Conduct and Discipline Code are not entitled to a refund of any fees.

Students who pay fees but are entitled to a waiver, voucher or agency payment (refer to Policy #6606) shall be entitled to a refund of fees only if required evidence is presented to the school/college principal or his/her designee within fifteen (15) school days of the beginning of the term.

In the case of unusual or extraordinary circumstances (such as illness, death in family, etc.) that preclude a student's enrollment, the school principal or his/her designee may honor a request for full or partial refund of fees providing that: (1) the request is made in writing prior to the date that the course would have normally ended, (2) supporting evidence (where appropriate) is provided. If said refund results in a failure to satisfy state fee requirements, the student shall not be reported for membership during the Workforce Education Fund survey period in the course for which the refund is given. Students who feel they have been treated unfairly in the application of this policy or its rules may appeal using the students' grievance procedure as presented in the Broward Technical Colleges Student Handbook.

Refunds, when due, will be made without requiring a request from a student.

Refunds, when due, will be made within forty-five (45) days: (1) of the last day of attendance if written notification of withdrawal has been provided to the school/college by the student, or (2) from the date the school/college withdraws the student or determines withdrawal by the student.

A student is entitled to a full refund of fees if a course is canceled by the school/college principal or his/her designee, provided however, that the student was not reported in membership during the Workforce Education Fund survey period in which the class was counted. If so, only those fees in excess of the state requirements shall be refunded.

Miscellaneous items purchased from the school bookstores (textbooks, uniforms, etc.) may be returned for a full refund provided that the items are unused, in the original packaging and currently being used in the instructional program.
