
A major event occurred on June 24, 2014, when the School Board of Broward County officially changed our name to McFatter Technical College. Hence, a new era in career, technical and adult education was launched.

McFatter Technical College was established as an area post-secondary technical college of the School Board of Broward County, Florida to offer technical education to both adults and secondary students in over forty program areas. In addition, McFatter holds membership, partnership or affiliation with over fifteen local, state and national organizations.

Industry-validated curriculum, complemented by state-of-the-art laboratories and equipment were designed to meet current and future employment needs of South Florida business and industry. The curriculum and specialized practical laboratory experiences have enabled students to acquire, refine and upgrade occupational skills on a full-time or part-time basis in day and evening classes, distance, hybrid or face-to-face delivery.

**CAMPUS INFORMATION**

Obtain information regarding faculty, code of conduct, campus map, school calendar and grievance information, by scanning this QR code, or refer to the McFatter Technical College and Technical High School Catalog available upon request.
Mission

The William T. McFatter Technical College and Technical High School has a vision to change the lives of people from all backgrounds through innovative education.

Vision

In working to achieve this vision, it is our mission to promote excellence in academic, career, and technical studies in order to prepare students to enter and remain competitive in a global workforce.

Semester Information

First Day of the Term: Wednesday, August 14, 2019
Last Day of the Term: Friday, December 20, 2019
Days in Term: 85

Admissions Requirements
Schedule the Tests of Adult Basic Education (TABE) or provide official documentation for a TABE exemption to your program counselor.

Schedule an appointment with your program counselor for TABE results and/or a program specific orientation. Please note, programs under the following career clusters may have additional requirements for program admission: Education & Training, Law, Public Safety & Security, Health Science, and Information Technology.

Register for classes during open enrollment. Please be advised that registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.

Classes are subject to cancellation if minimum enrollment is not met.

Program Delivery Methods
Traditional – 100% classroom based
Hybrid – Less than 50% of required instructional hours available via distance education.
Distance – 50% or more of required instructional hours available via distance education.

Students enrolled in distance and/or hybrid courses should have daily access to a computer with internet and must have a valid email address that they check daily.

Additionally, students should have all necessary hardware and software components required by their program.

Hours of Operation

Office of Admissions
Monday - Thursday 7:00am – 5:00pm
Friday 7:00am – 3:00pm
Saturday 8:00am – 12:00pm

Registration
Monday - Thursday 8:00am – 5:00pm
Friday 8:00 am – 2:30pm
Saturday 8:00 am – 12:00pm

Financial Aid
Monday - Thursday 8:00am – 4:00pm
Friday 8:00am – 3:00pm
Saturday Closed

Bookstore
Monday, Thursday and Friday 8:30am – 3:00pm
Tuesday and Wednesday 8:30am – 6:00pm

Testing Information:
McFatter Technical College is an Authorized Testing Center.

TABE (Tests of Adult Basic Education)
Appointments for testing must be scheduled in advance with the Registration Office. There is a $15 non-refundable assessment fee for testing.

Testing Schedule:
Tuesday and Thursday 8:00am
Tuesday 5:00pm

Please arrive at least 15 minutes prior to the start time of your scheduled test. You must have a valid government photo identification to participate in testing.

Revised 10/19
Adult General Education (AGE)

Adult Basic Education (ABE) (754) 321-5768
The Adult Basic Education course of instruction is designed to improve the employability of the state's workforce through instruction in mathematics, reading, language and workforce readiness for students who score below the ninth grade level on the Tests of Adult Basic Education (TABE). This course also includes Action Steps to Employment instruction.

Applied Academics for Adult Education (AAAE) (754) 321-5768
The AAAE program is designed for students who have tested at the equivalent of ninth grade and above, but need to improve their basic skills to meet the requirements of a Career and Technical Education (CTE) program in which they are enrolled. This course also includes Action Steps to Employment instruction.

Test of Essential Academic Skills (TEAS) (754) 321-5768
In order to help students prepare for a passing score on the TEAS, which is required for admission to the Practical Nursing (PN) program, a comprehensive preparatory course is offered in a face-to-face or online format.

AGE Course Hours and Schedule
Class M-F 8:30 am – 11:30 am $30
Class M-F 12:00 pm – 3:00 pm $30
Class M-Th 6:00 pm – 9:00 pm $30
Class Sat 8:00 am – 12:00 pm $30
Online 12 hours per week $30

A Student Activity Fee of $20.00 will be charged once per school year.

GED® Test Preparation (754) 321-5768
The GED® test preparation course includes instruction in reading, science, social studies, math and language to assist students in preparing and successfully passing the GED® exam. This is an open-entry/open-exit, self-paced and performance-based evaluation course. The GED® exam is offered through our authorized testing center. Please visit www.ged.com for additional information. This course also includes Action Steps to Employment instruction.

GED® is a registered trademark of the American Council on Education (ACE) and administered exclusively by GED®

GED® Test Preparation Course Hours and Schedule
Class M-Th 8:30 am – 11:30 am, F Online $30
Class M-Th 12:00 pm – 3:00 pm, F Online $30
Online 12 hours per week $30

A Student Activity Fee of $20.00 will be charged once per school year.

ESOL (English for Speakers of Other Languages) (754) 321-5837 • (754) 321-5765
The English for Speakers of Other Languages program prepares students to communicate in English, to improve job skills, and to further their technical and academic studies. Classes focus on life skills, reading, test-taking skills, listening, speaking, and writing. Students advance through the different levels at their own rate of learning.

All ESOL levels are open entry/open exit. Students may register for multiple classes, up to 35 hours of instruction per week. A non-refundable Assessment Fee of $15.00 will be charged. Photo ID required at time of testing and registration.

ESOL Registration Hours
(754) 321-5837 • (754) 321-5765
M-F 8:00 am – 2:00 pm
M-Th 4:00 pm – 6:30 pm

ESOL Course Hours and Schedule
Class M-F 8:00 am – 11:00 am $30
Class M-F 11:30 am – 2:30 pm $30
Class M-Th 5:00 pm – 9:00 pm $30
Class Sat 8:00 am – 12:00 pm $30
Online 12 hours per week $30

A Student Activity Fee of $20.00 will be charged once per school year.

The Council on Occupational Education (COE) does not accredit avocational courses, such as Adult General Education (AGE) courses. In addition, these courses do not qualify for Title IV financial aid. For additional information on accreditation, please contact the institution or see page 25.
Career & Technical Education Programs (CTE)

Architecture and Construction

DRAFTING
1500 hrs | 15 months | Traditional

Approx. Total Cost $5265

Enrollment: August, January, and June

Drafting is often known as the standard of communication for industry. Master the skills and techniques of Computer Aided Drafting (CAD), used globally to design and draw detailed technical plans and blueprints for architectural, engineering, landscaping and manufacturing industries.

This course introduces the student to the basics of drafting, and then advances them into more complex techniques through the use of state-of-the-art CAD software, including AutoCAD, Revit and Solidworks. It provides a firm background that can act as a stepping stone for advancement in the career of the student’s choice.

M – F 8:00 am – 2:30 pm 570 hrs $1770
Part-Time 8:00 am – 11:00 am 285 hrs $915

ELECTRICITY
1200 Hours | 12 Months | Traditional

Approx. Total Cost $3858

Enrollment: August and January

McFatter’s Electricity program focuses on training in electricity for residential, commercial, and industrial systems. The students will be instructed on conduit bending techniques, blueprint reading, fire alarm installation, journeyman preparation, and interpreting national and local electrical codes. Also, the students will master the understanding of all aspects of the electricity industry’s planning, management, safety, technical and productions skills, with underlying principles of technology, labor issues, community issues and health, safety and environmental issues.

570 hrs $1770
M – F Class 7:00 am - 1:45 pm

Prices are for Florida Residents. All fees are based on the number of days in the semester. All prices reflect cost for the current semester only. Fees are subject to increase. Revised 10/19
Arts, A/V Technology and Communications

DIGITAL MEDIA/MULTIMEDIA DESIGN
1050 hrs | 10 months | Hybrid
Approx. Total Cost $4014
Enrollment: August, October, January, March and June

The Digital Media/Multimedia Design program offers a sequence of courses that provide industry relevant project work to prepare students for positions in the following fields: Print or Web Design, Digital Photography, Videography and Video/Audio Editing. Students will develop an artistic proficiency using Photoshop, Illustrator, InDesign, Audition, Premiere Pro, and Adobe Animate to create interactive animated web content. This is a hands-on program that provides students with the skills necessary for the design and production of websites, corporate branding, print marketing, as well as website and web-based video content. Students will create an industry-ready online portfolio using WordPress to showcase their design skills, which is required to begin a career in the design industry.

ELECTROCARDIOGRAPH (EKG) TECHNOLOGY
465 hrs | 5 months | Hybrid
Approx. Total Cost $1961
Enrollment: August and January

Make a difference in your life and that of many others by joining the Electrocardiograph (EKG) Technology program. With a blend of theory, detailed skills labs and convenient online assignments, you will be provided with the knowledge and skills necessary to be a well-qualified EKG technician. Students will be trained to operate equipment that measures and records heart activity and will know how to differentiate between normal and abnormal results.

Additional Admissions Requirements:
Physical examination and immunization record, drug screening (approved vendor only), and background check (approved vendor only).

M-Th 3:30 pm – 10:00 pm 468 hrs $1454

DENTAL LABORATORY TECHNOLOGY
2040 hrs | 18 months | Traditional
Approx. Total Cost $6972
Enrollment: August and January

Are you looking for a career with high earning potential and flexibility? Then the Dental Laboratory Technology program is for you! If you are creative, detail-oriented, like to work with your hands and can distinguish between subtle shades of color, you can enter a rewarding field. Students will learn how to construct and repair full and partial dentures, fabricate crowns and bridges, apply porcelain, and construct orthodontic appliances. Employment opportunities are available nationwide and you can work for a dental laboratory or own one.

Additional Admissions Requirements:
High School Diploma or GED®, physical examination and immunization record.

OPTOMETRIC ASSISTING
1080 hrs | 10 month | Hybrid

Approx. Total Cost $4085
Enrollment: August

Optometry is a growing medical field, with more people needing glasses and contact lenses than ever before. There are numerous employment opportunities in the field of vision care. Through our program, students will learn the skills necessary to assist eye care specialists in the diagnosis and treatment of vision deficiencies and develop a thorough understanding of the equipment, materials and procedures used in the field. Students will participate in MTC’s onsite vision clinic during the program.

Additional Admissions Requirements:
Physical examination and immunization record.

M – F 8:00 am – 2:30 pm

PATIENT CARE TECHNICIAN
600 hrs | 6 months | Hybrid

Approx. Total Cost $2476
Enrollment: August and January

This program offers advanced training for employment in various healthcare facilities under the direct supervision of a professional nurse. The Patient Care Technician (PCT) will come in direct contact with the patient while performing assigned duties for clients in hospitals or nursing homes. Students also receive supplementary training in 12-lead EKG, basic phlebotomy techniques and rehabilitation aide training.

Additional Admissions Requirements:
Physical examination and immunization record, drug screening (approved vendor only), and background check (approved vendor only).

M – F 8:00 am – 3:30 pm 602 hrs $1849
PHARMACY TECHNICIAN – ATD
1050 hrs | 10 months | Hybrid
Approx. Total Cost $4094
Enrollment: August
As a pharmacy technician, you can become part of one of the fastest growing careers in the medical field. Throughout the program, students are provided with knowledge and skills needed to work closely with pharmacists and other technicians in retail/community, hospitals and many other disciplines. Lab simulations will allow students to obtain hands-on practice prior to the clinical experiences in the community and hospital pharmacies. This program will prepare you for the Certified Pharmacy Technician (CPhT) credential and in becoming a Florida Board of Pharmacy Licensed technician (RPhT).

Additional Admissions Requirements:
High School Diploma or GED®, physical examination and immunization record, drug screening (approved vendor only), and background check (approved vendor only).

PRACTICAL NURSING
1350 hrs | 12 months | Blended Nursing Courses | Hybrid
Approx. Total Cost $6017
Enrollment: August, October, January, April and July
Train to become a Licensed Practical Nurse working in a variety of healthcare settings. A licensed Practical Nurse is responsible for patient care, and works under the supervision of a physician or registered nurse in long-term care facilities, hospitals, clinics, physicians’ offices, home health and hospice agencies. Applicants should have the ability to handle responsibility and be interested in caring for patients of all ages.

McFatter Technical College 2016-2017

APPLIED CYBERSECURITY
750 hrs | 7 months | Distance

Approx. Total Cost $3061

Enrollment: August and January

Applied Cybersecurity is a hands-on program that will give students real world security scenarios. Students will learn to protect computers from hackers, secure wireless networks, protect computers from malware and identify security threats. Students will also learn how to secure residential and business computers, and fill the demand at public and private companies to address internet security concerns in today's world. Students will prepare for the CompTIA Security+ and CompTIA CySA+ nationally recognized cyber security industry certifications.

Additional Admissions Requirements: TABE, Online Readiness Assessment, Comptia A+ Certification and Network+ or CCNA, or be a program completer of Network Support Services.

M – F Online 750 hrs $2310

Saturdays Class 8:00 am – 12:00 pm

GAME/SIMULATION/ANIMATION PROGRAMMING
600 hrs | 6 months | Distance

Approx. Total Cost $2025

Enrollment: January and August

Introductory level online courses designed to leave novice PC users with a strong foundation in 2D and 3D game design, modeling, and animation, while preparing for careers in the Information Technology career cluster, for example: Game Designer/Programmer and Game Software Developer. Students will gain knowledge in multiple programming languages HTML 5, CSS, JavaScript, and C# Programming for Unity 5 and will be exposed to the intricate process that goes behind planning and producing games.

M – F Online 600 hrs $1890

JAVA DEVELOPMENT & PROGRAMMING
1200 hrs | 12 months | Distance

Approx. Total Cost $4481

Enrollment: August, January, and June

This course includes but is not limited to the fundamentals of programming and software development, procedural and object-oriented programming, creating regular and specialized applications using the Java programming language, including testing, monitoring, debugging, documenting and maintaining Java computer applications.

M – F Online 570 hrs $1713
NETWORK SUPPORT SERVICES
1050 hrs | 10 months | Traditional

Approx. Total Cost $4718

Enrollment: August, January and June

Local Area Networks, as well as the internet, consist of routers, switches and servers communicating through the implementation of routing protocols in the LAN and WAN. The Network Support Services Program prepares you to meet the challenges of computer diagnostics, LAN development and WAN integration. Earn your CompTIA A+, CompTIA Network+ and Microsoft MCSA certifications while developing the hands-on skills that make you a leader in the field of Information Technology. Topics include: subnetting, routing, wireless, logical and topological design, VLAN, access control lists, and troubleshooting using a layered model.

M – F 8:00 am – 2:30 pm 570 hrs $1799

WEB DEVELOPMENT
1050 hrs | 10 months | Hybrid or Distance

Approx. Total Cost $3463

Enrollment: August, January and June

Unlock the secrets of web development in all its forms by designing, coding and publishing websites that can work in mobile, tablet and desktop formats. To create websites that are dynamic and engaging, the student will use the cutting edge tools: XHTML, CSS, JavaScript, Photoshop, Dreamweaver, WordPress, CMS and SEO. Develop a real world portfolio using all your acquired skills to gain entry-level employment as a web designer, developer and programmer.

AUTOMOTIVE SERVICE TECHNOLOGY
1800 hrs | 18 months | Hybrid
Approx. Total Cost $6465
Enrollment: August, October, January, March and June

Master the knowledge and skills necessary for employment as an Automotive Technician. In this NATEF accredited program, students will train in all eight (8) ASE areas and will learn all aspects of automobile mechanical repair. Students must exhibit strong reading, math and computer skills necessary to complete the on-line portions of the program. They must also possess strong mechanical aptitude to prove hands-on mechanical competency. Students are encouraged to take industry credential exams and complete the program in its entirety. Program graduates can take advantage of existing articulation agreements and be awarded credit towards an A.S. degree at the college level.

M – F 8:00 am – 2:30 pm 570 hrs $1941

MARINE SERVICE TECHNOLOGIES
1350 hrs | 12 months | Hybrid
Approx. Total Cost $5873
Enrollment: August

Do you have a passion for boats? Why not consider a career in Marine Service Technology? Due to the popularity of the boating industry in South Florida, there will always be a high demand for Marine Service Technicians. McFatter’s one-year Marine Service Technology program will prepare you for a career in the pleasure-boating arena by providing the knowledge and skills necessary to service and overhaul these watercraft. The program is divided into (6) six courses, covering such topics as Electrical Fundamentals, Marine Rigging, Outboard Engines, Fuel Injection Principles, Gear Case and Inboard Engines. Students must exhibit the strong reading, math and computer skills necessary to complete portions of the program, and must possess a strong mechanical aptitude to prove hands-on mechanical competency.

Financial Information

Refund Policy
School Board Policy 6607 governs refunds of all programs.

All refunds shall be accounted for and audit trails maintained in accordance with Business Practice Bulletins issued by the Office of the Chief Financial Officer.

Students who appear at the school in person and voluntarily withdraw within five (5) school days of the beginning of a term shall be entitled to a full refund of tuition, student activity fee, fee-supported cost recovery, and lab/supply fees. Registration fees and Health Science Education fees are non-refundable. Five (5) school days shall not apply to courses less than three (3) weeks or ninety (90) hours in duration. In such cases, the request for withdrawal must be made prior to the course meeting more than one-third (1/3) of its assigned hours. Retention of fees collected in advance for a student who does not enter class shall not exceed $100. Refunds will be made within forty-five (45) days of the date on which the student voluntarily withdraws.

Students involuntarily withdrawn pursuant to the Adult Student Conduct and Discipline Code are not entitled to a refund of any fees.

Students who pay fees but are entitled to a waiver, voucher or agency payment (refer to Policy #6606) shall be entitled to a refund of fees only if required evidence is presented to the school/college principal or his/her designee within fifteen (15) school days of the beginning of the term.

In the case of unusual or extraordinary circumstances (such as illness, death in family, etc.) that preclude a student’s enrollment, the school principal or his/her designee may honor a request for full or partial refund of fees providing that: (1) the request is made in writing prior to the date that the course would have normally ended, (2) supporting evidence (where appropriate) is provided. If said refund results in a failure to satisfy state fee requirements, the student shall not be reported for membership during the Workforce Education Fund survey period in the course for which the refund is given. Students who feel they have been treated unfairly in the application of this policy or its rules may appeal using the students’ grievance procedure as presented in the Broward Technical Colleges Student Handbook. Refunds, when due, will be made without requiring a request from a student.

Refunds, when due, will be made within forty-five (45) days: (1) of the last day of attendance if written notification of withdrawal has been provided to the school/college by the student, or (2) from the date the school/college withdraws the student or determines withdrawal by the student.

A student is entitled to a full refund of fees if a course is canceled by the school/college principal or his/her designee, provided however, that the student was not reported in membership during the Workforce Education Fund survey period in which the class was counted. If so, only those fees in excess of the state requirements shall be refunded.

Miscellaneous items purchased from the school bookstores (textbooks, uniforms, etc.) may be returned for a full refund provided that the items are unused, in the original packaging and currently being used in the instructional program.

Financial Services
Financial assistance is available to those who qualify. Visit fafsa.ed.gov to apply.

Financial assistance programs are designed to provide assistance to eligible individuals who have the ability to benefit from training and who, without assistance, would be unable to afford to attend. The following financial assistance programs may be available to students depending on the course of study:

- Community Agencies
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Fee Waivers
- Financial Aid Fee Trust Fund (FAFTF)
- Florida Student Assistance Grant (FSAG)
- Scholarships
- Veterans’ Educational Benefits
- Vocational Rehabilitation Services

Methods of Payment
Registration, tuition and testing fees may be paid with cash, debit card, MasterCard or Visa. The college is not permitted to cash personal checks.

Veterans Educational Benefits
Most programs are approved for veterans training. For information pertaining to the college’s VA approved programs, contact the Veterans Certifying Official.

Transfer Policy
Students with prior training or experience may be eligible for advanced placement upon approval of the institution.

Grading System
The district prescribed guidelines are used to evaluate student performance as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90-100%</td>
</tr>
<tr>
<td>B</td>
<td>80-89%</td>
</tr>
<tr>
<td>C</td>
<td>70-79%</td>
</tr>
<tr>
<td>D</td>
<td>60-69%</td>
</tr>
<tr>
<td>F</td>
<td>0-59%</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete</td>
</tr>
</tbody>
</table>

Articulation
Upon completion of the technical program and meeting eligibility requirements, students may be awarded credits towards an Associate of Science (A.S.) Degree or Associate of Applied Science (A.A.S.) Degree at selected Florida state colleges.

### 2019 SkillsUSA

SkillsUSA is a nationally recognized program that serves as a partnership between students, teachers, and industry to ensure that America has a skilled workforce. A collaboration of these parties provides students with the opportunity to apply and practice quality work in their prospective fields. SkillsUSA promotes teamwork, leadership, citizenship and character development. It builds and reinforces self confidence, work attitude, and communication skills. It emphasizes total quality at work-high ethical standards, superior work skills, life-long education, and pride in the dignity of work. SkillsUSA is comprised of over 350,000 students nationwide.

**Congratulations!**
