

Opened in 1985 with the addition of the Hospitality Building in 1996 and the Technical High School in 1998, McFatter Technical College operates on a \$26 million complex on 24 acres at the corner of Davie Road and Nova Drive, in the Town of Davie, Florida.

A major event occured on June 24, 2014, when the School Board of Broward County officially changed our name to McFatter Technical College. Hence, a new era in career, technical and adult education was launched.

McFatter Technical College was established as an area postsecondary technical college of the School Board of Broward County, Florida to offer technical education to both adults and secondary students in over forty program areas. In addition, McFatter holds membership, partnership or affiliation with over fifteen local, state and national organizations.

Industry-validated curriculum, complemented by state-of-theart laboratories and equipment were designed to meet current and future employment needs of South Florida business and industry. The curriculum and specialized practical laboratory experiences have enabled students to acquire, refine and upgrade occupational skills on a full-time or part-time basis in day and evening classes, distance, hybrid or face-to-face delivery.

Semester Information

First Day of the Term: Wednesday, August 14, 2019 Last Day of the Term: Friday, December 20, 2019 Days in Term: 85

Admissions Requirements

Schedule the Tests of Adult Basic Education (TABE) or provide official documentation for a TABE exemption to your program counselor.

Schedule an appointment with your program counselor for TABE results and/or a program specific orientation. Please note, programs under the following career clusters may have additional requirements for program admission: Education & Training, Law, Public Safety & Security, Health Science, and Information Technology.

Register for classes during open enrollment. Please be advised that registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.

Classes are subject to cancellation if minimum enrollment is not met.

Program Delivery Methods

Traditional - 100% classroom based Hybrid - Less than 50% of required instructional hours available via distance education. Distance - 50% or more of required instructional hours available via distance education.

Students enrolled in distance and/or hybrid courses should have daily access to a computer with internet and must have a valid email address that they check daily.

Additionally, students should have all necessary hardware and software components required by their program.

Hours of Operation

Adult General Education (AGE)

Adult Basic Education (ABE) (754) 321-5768

The Adult Basic Education course of instruction is designed to improve the employability of the state's workforce through instruction in mathematics, reading, language and workforce readiness for students who score below the ninth grade level on the Tests of Adult Basic Education (TABE). This course also includes Action Steps to Employment instruction.

Applied Academics for Adult Education (AAAE) (754) 321-5768

The AAAE program is designed for students who have tested at the equivalent of ninth grade and above, but need to improve their basic skills to meet the requirements of a Career and Technical Education (CTE) program in which they are enrolled. This course also includes Action Steps to Employment instruction.

Test of Essential Academic Skills (TEAS) (754) 321-5768

In order to help students prepare for a passing score on the TEAS, which is required for admission to the Practical Nursing (PN) program, a comprehensive preparatory course is offered in a face-to-face or online format.

AGE Course Hours and Schedule

Class	M-F	8:30 am - 11:30 am	\$30
Class	M-F	12:00 pm - 3:00 pm	\$30
Class	M-Th	6:00 pm - 9:00 pm	\$30
Class	Sat	8:00 am - 12:00 pm	\$30
Online	12 hou	rs per week	\$30

A Student Activity Fee of \$20.00 will be charged once per school year.

GED® Test Preparation (754) 321-5768

The GED® test preparation course includes instruction in reading, science, social studies, math and language to assist students in preparing and successfully passing the GED® exam. This is an open-entry/open-exit, self-paced and performance-based evaluation course. The GED® exam is offered through our authorized testing center. Please visit www.ged.com for additional information. This course also includes Action Steps to Employment instruction.

GED® is a registered trademark of the American Council on Education (ACE) and administered exclusively by GED®

MEDICAL ASSISTING

1300 hrs | 10 months | Hybrid

Approx. Total Cost \$5090

Enrollment: August

As a medical assistant, you form a crucial link between the patient and the physician. Program training combines knowledge, communication and hands-on training that will provide you with the skills needed to be a successful healthcare team member. Students will learm medical office skills, laboratory procedures, phlebotomy, EKG and will complete a supervised practicum.

Additional Admissions Requirements:

High School Diploma or GED®, physical examination and immunization record, drug screening (approved vendor only), and background check (approved vendor only).

M - F 8:00 am - 3:30 pm

The Medical Assisting program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of Medical Assisting Education Review Board (MAERB).

Commission on Accreditation of Allied Health Education Programs 25400 US Highway 19 N., Suite 158 • Clearwater, FL 33763 727-210-2350 • www.caahep.org

1080 hrs | 10 month | Hybrid

Approx. Total Cost \$4085

Enrollment: August

Optometry is a growing medical field, with more people needing glasses and contact lenses than ever before. There are numerous employment opportunities in the field of vision care. Through our program, students will learn the skills necessary to assist eye care specialists in the diagnosis and treatment of vision deficiencies and develop a thorough understanding of the equipment, materials and procedures used in the field. Students will participate in MTC's onsite vision clinic during the program.

Additional Admissions Requirements: Physical examination and immunization record.

M - F 8:00 am - 2:30 pm

PATIENT CARE TECHNICIAN

600 hrs | 6 months | Hybrid

Approx. Total Cost \$2476

Enrollment: August and January

This program offers advanced training for employment in various healthcare facilities under the direct supervision of a professional nurse. The Patient Care Technician (PCT) will come in direct contact with the patient while performing assigned duties for clients in hospitals or nursing homes. Students also receive supplementary training in 12-lead EKG, basic phlebotomy techniques and rehabilitation aide training.

Additional Admissions Requirements:

Physical examination and immunization record, drug screening (approved vendor only), and background check (approved vendor only).

8:00 am - 3:30 pm 602 hrs

PHARMACY TECHNICIAN - ATD

1050 hrs | 10 months | Hybrid

Approx. Total Cost \$4094

Enrollment: August

As a pharmacy technician, you can become part of one of the fastest growing careers in the medical field. Throughout the program, students are provided with knowledge and skills needed to work closely with pharmacists and other technicians in retail/community, hospitals and many other disciplines. Lab simulations will allow students to obtain hands-on practice prior to the clinical expereinces in the community and hospital

pharmacies. This program will prepare you for the Certified Pharmacy Technician (CPhT) credential and in becoming a Florida Board of Pharmacy Licensed technician (RPhT).

Additional Admissions Requirements:

High School Diploma or GED®, physical examination and immunization record, drug screening (approved vendor only), and background check (approved vendor only).

Financial Information

Refund Policy

School Board Policy 6607 governs refunds of all programs.

All refunds shall be accounted for and audit trails maintained in accordance with Business Practice Bulletins issued by the Office of the Chief Financial Officer.

Students who appear at the school in person and voluntarily withdraw within five (5) school days of the beginning of a term shall be entitled to a full refund of tuition, student activity fee, fee-supported cost recovery, and lab/supply fees. Registration fees and Health Science Education fees are non-refundable. Five (5) school days shall not apply to courses less than three (3) weeks or ninety (90) hours in duration. In such cases, the request for withdrawal must be made prior to the course meeting more than one-third (1/3) of its assigned hours. Retention of fees collected in advance for a student who does not enter class shall not exceed \$100. Refunds will be made within forty-five (45) days of the date on which the student voluntarily withdraws.

Students involuntarily withdrawn pursuant to the Adult Student Conduct and Discipline Code are not entitled to a refund of any fees.

Students who pay fees but are entitled to a waiver, voucher or agency payment (refer to Policy #6606) shall be entitled to a refund of fees only if required evidence is presented to the school/college principal or his/her designee within fifteen (15) school days of the beginning of the term.

In the case of unusual or extraordinary circumstances (such as illness, death in family, etc.) that preclude a student's enrollment, the school principal or his/her designee may honor a request for full or partial refund of fees providing that: (1) the request is made in writing prior to the date that the course would have normally ended, (2) supporting evidence (where appropriate) is provided. If said refund results in a failure to satisfy state fee requirements, the student shall not be reported for membership during the Workforce Education Fund survey period in the course for which the refund is given. Students who feel they have been treated unfairly in the application of this policy or its rules may appeal using the students' grievance procedure as presented in the Broward Technical Colleges Student Handbook. Refunds, when due, will be made without requiring a request from a student.

Refunds, when due, will be made within forty-five (45) days: (1) of the last day of attendance if written notification of withdrawal has been provided to the school/college by the student, or (2) from the date the school/college withdraws the student or determines withdrawal by the student.

A student is entitled to a full refund of fees if a course is canceled by the school/college principal or his/her designee, provided however, that the student was not reported in membership during the Workforce Education Fund survey period in which the class was counted. If so, only those fees in excess of the state requirements shall be refunded.

Miscellaneous items purchased from the school bookstores (textbooks, uniforms, etc.) may be returned for a full refund provided that the items are unused, in the original packaging and currently being used in the instructional program.

Financial Services

Financial assistance is available to those who qualify. Visit fafsa.ed.gov to apply.

Financial assistance programs are designed to provide assistance to eligible individuals who have the ability to benefit from training and who, without assistance, would be unable to afford to attend. The following financial assistance programs may be available to students depending on the course of study:

- Community Agencies
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Fee Waivers
- Financial Aid Fee Trust Fund (FAFTF)
- Florida Student Assistance Grant (FSAG)
- Scholarships
- Veterans' Educational Benefits
- Vocational Rehabilitation Services

Methods of Payment

Registration, tuition and testing fees may be paid with cash, debit card, MasterCard or Visa. The college is not permitted to cash personal checks.

Veterans Educational Benefits

Most programs are approved for veterans training. For information pertaining to the college's VA approved programs, contact the Veterans Certifying Official.

Transfer Policy

Students with prior training or experience may be eligible for advanced placement upon approval of the institution.

Grading System

The district prescribed guidelines are used to evaluate student performance as follows:

Α	90-100%	D	60-69%
В	80-89%	F	0-59%
C	70-79%	- 1	Incomplete

Articulation

Upon completion of the technical program and meeting eligibility requirements, students may be awarded credits towards an Associate of Science (A.S.) Degree or Associate of Applied Science (A.A.S.) Degree at selected Florida state colleges.
