

Office Hours Schedule for McFatter Tech

McFatter Students and Parents: In order to ensure that students and parents may have easy access to teachers, counselors, other support staff, and administrators on each school day, the following Office Hours are available for your use. While you may of course reach out to school staff at any time, and they will respond as they are able, Office Hours in particular are times in which these teachers are actively logged on to their classes and email and will see and be able to respond to inquiries quickly. We hope you find these hours to be of help to you.
