Innovative Excellence

McFatter Technical College & Technical High School successfully moved all traditional and hybrid programs to an online platform temporarily allowing students to attend classes from the safety of their homes as the nation deals with the COVID-19 pandemic. Testing, traditional, and hybrid programs will follow listed schedule delivery when the campus re-opens.

Despite changes to the McFatter Technical College day-to-day functions, the Office of Admissions and Student Affairs are available to assist you virtually.

McFatter Technical College

SUMMER SCHEDULE | 2020

Opened in 1985 with the addition of the Hospitality Building in 1996 and the Technical High School in 1998, McFatter Technical College operates on a $26 million complex on 24 acres at the corner of Davie Road and Nova Drive, in the Town of Davie, Florida.

A major event occurred on June 24, 2014, when the School Board of Broward County officially changed our name to McFatter Technical College. Hence, a new era in career, technical and adult education was launched.

McFatter Technical College was established as an area post-secondary technical college of the School Board of Broward County, Florida to offer technical education to both adults and secondary students in over forty program areas. In addition, McFatter holds membership, partnership or affiliation with over fifteen local, state and national organizations.

Industry-validated curriculum, complemented by state-of-the-art laboratories and equipment were designed to meet current and future employment needs of South Florida business and industry. The curriculum and specialized practical laboratory experiences have enabled students to acquire, refine and upgrade occupational skills on a full-time or part-time basis in day and evening classes, distance, hybrid or face-to-face delivery.

CAMPUS INFORMATION

For additional information on our institution, policies, and procedures, please visit our website at www.mcfattertechnicalcollege.edu or call 754.321.5700.

Mission

*The William T. McFatter Technical College
and Technical High School has a vision to change the lives
of people from all backgrounds through innovative education.*

Vision

*In working to achieve this vision, it is our mission to promote excellence
in academic, career, and technical studies in order to prepare students
to enter and remain competitive in a global workforce.*

Semester Information

Admissions Requirements

Schedule a basic skills assessment ($15) or provide official documentation of a basic skills exemption to your program counselor/advisor.

Schedule an appointment with your program counselor/advisor for basic skills assessment results and/or a program specific orientation. Please note, programs under the following career clusters may have additional requirements for program admission: Education & Training, Law, Public Safety & Security, Health Science, and Information Technology.

Register for classes during open enrollment. Program registration runs on a first come, first served basis.

For additional information, please contact the Office of Admissions at (754) 321-5700.

Classes are subject to cancellation if minimum enrollment is not met.

Program Delivery Methods

Traditional – 100% classroom based
Hybrid – Less than 50% of required instructional hours available via distance education.
Distance – 50% or more of required instructional hours available via distance education.

Students enrolled in distance and/or hybrid programs should have daily access to a computer with internet and must have a valid email address that they check daily.

Additionally, students should have all necessary hardware and software components required by their program.

Hours of Operation

Adult General Education (AGE)

Adult Basic Education (ABE) (754) 321-5768

The Adult Basic Education course of instruction is designed to improve the employability of the state's workforce through instruction in mathematics, reading, language and workforce readiness for students who score below the ninth grade level on the Basic skills assessment. This course also includes Action Steps to Employment instruction.

**Applied Academics
for Adult Education (AAAE)** (754) 321-5768

The AAAE program is designed for students who have tested at the equivalent of ninth grade and above, but need to improve their basic skills to meet the requirements of a Career and Technical Education (CTE) program in which they are enrolled. This course also includes Action Steps to Employment instruction.
**Test of Essential Academic Skills
(TEAS)** (754) 321-5768

In order to help students prepare for a passing score on the TEAS, which is required for admission to the Practical Nursing (PN) program, a comprehensive preparatory course is offered in a face-to-face or online format.

AGE Course Hours and Schedule

Class	M-F	8:30 am – 11:30 am	$30
Class	M-F	12:00 pm – 3:00 pm	$30
Class	M-Th	6:00 pm – 9:00 pm	$30
Class	Sat	8:00 am – 12:00 pm	$30
Online	12 hours per week		$30

A Student Activity Fee of $20.00 will be charged once per school year.

GED® Test Preparation (754) 321-5768

The GED® test preparation course includes instruction in reading, science, social studies, math and language to assist students in preparing and successfully passing the GED® exam. This is an open-entry/open-exit, self-paced and performance-based evaluation course. The GED® exam is offered through our authorized testing center. Please visit www.ged.com for additional information. This course also includes Action Steps to Employment instruction.

GED® is a registered trademark of the American Council on Education (ACE) and administered exclusively by GED®

GED® Test Preparation Course Hours and Schedule

Class M-Th 8:30 am – 11:30 am, F Online		$30
Class M-Th 12:00 pm – 3:00 pm, F Online		$30
Online 12 hours per week		$30

A Student Activity Fee of $20.00 will be charged once per school year.

ESOL (English for Speakers of Other Languages)
(754) 321-5837 • (754) 321-5765

The English for Speakers of Other Languages program prepares students to communicate in English, to improve job skills, and to further their technical and academic studies. Classes focus on life skills, reading, test-taking skills, listening, speaking, and writing. Students advance through the different levels at their own rate of learning.

All ESOL levels are open entry/open exit. Students may register for multiple classes, up to 35 hours of instruction per week. A non-refundable Assessment Fee of $15.00 will be charged. Photo ID required at time of testing and registration.

ESOL Registration Hours
(754) 321-5837 • (754) 321-5765

M-F	8:00 am – 2:00 pm
M-Th	4:00 pm – 6:30 pm

ESOL Course Hours and Schedule

Class	M-F	8:00 am – 11:00 am	$30
Class	M-F	11:30 am – 2:30 pm	$30
Class	M-Th	5:00 pm – 9:00 pm	$30
Class	Sat	8:00 am – 12:00 pm	$30
Online	12 hours per week		$30

A Student Activity Fee of $20.00 will be charged once per school year.

The Council on Occupational Education (COE) does not accredit avocational courses, such as Adult General Education (AGE) courses. In addition, these courses do not qualify for Title IV financial aid. For additional information on accreditation, please contact the institution or see page 25.

Career & Technical Education Programs (CTE)
Architecture & Construction

DRAFTING

1500 hrs | 15 months full-time or 30 months part-time | Traditional

Approx. Total Cost $5265

Enrollment: August, January, and June

Drafting is often known as the standard of communication for industry. Master the skills and techniques of Computer Aided Drafting (CAD), used globally to design and draw detailed technical plans and blueprints for architectural, engineering, landscaping and manufacturing industries. This course introduces the student to the basics of drafting, and then advances them into more complex techniques through the use of state-of-the-art CAD software, including AutoCAD, Revit and Solidworks. It provides a firm background that can act as a stepping stone for advancement in the career of the student's choice.

Full-Time		288 hrs	$904
M - F	Class	8:00am - 2:30pm	

Part-Time		144 hrs	$472
M - F	Class	8:00am - 11:00am	

ELECTRICITY

1200 Hours | 12 Months | Traditional

Approx. Total Cost $3858

Enrollment: August and January

McFatter's Electricity program focuses on training in electricity for residential, commercial, and industrial systems. The students will be instructed on conduit bending techniques, blueprint reading, fire alarm installation, journeyman preparation, and interpreting national and local electrical codes. Also, the students will master the understanding of all aspects of the electricity industry's planning, management, safety, technical and productions skills, with underlying principles of technology, labor issues, community issues and health, safety and environmental issues.

M – F	Class	7:00 am - 1:45 pm

Arts, A/V Technology & Communications

DIGITAL MEDIA/MULTIMEDIA DESIGN
1050 hrs | 10 months | **Hybrid**

Approx. Total Cost $4014

Enrollment: August, October, January, March and June

The Digital Media/Multimedia Design program offers a sequence of courses that provide industry relevant project work to prepare students for positions in the following fields: Print or Web Design, Digital Photography, Videography and Video/Audio Editing. Students will develop an artistic proficiency using Photoshop, Illustrator, InDesign, Audition, Premiere Pro, and Adobe Animate to create interactive animated web content. This is a hands-on program that provides students with the skills necessary for the design and production of websites, corporate branding, print marketing, as well as website and web-based video content. Students will create an industry-ready online portfolio using WordPress to showcase their design skills, which is required to begin a career in the design industry.

		288 hrs $904
M – F	Class	8:00 am – 11:30 am
M – F	Online	12:00 pm – 2:30 pm

DIGITAL PHOTOGRAPHY TECHNOLOGY
1050 hrs | 10 months | **Hybrid**

Approx. Total Cost $3521

Enrollment: August, October, January, March and June

The Digital Photography Technology program is a comprehensive training for the industry that will teach you how to take control of your digital SLR camera. Students will learn the basic functions of a camera so that they can begin to shoot on manual mode and create high-quality images. Instruction includes studio lighting and how to use professional lighting equipment for portraiture. Students will also learn to create how to videos and cinemagraphs. Image techniques and digital manipulation are taught using Adobe Photoshop. Employment opportunities are available and range from working in a portrait studio to being a freelance photographer.

		288 hrs $947
M – F	Class	8:00 am – 11:30 am
M – F	Online	12:00 pm – 2:30 pm

DIGITAL PRINTING TECHNOLOGY

990 hrs | 10 months | Hybrid

Approx. Total Cost $3568

Enrollment: August, October, January, March and June

Digital Printing Technology is the graphic design aspect of the graphic communications industry. Through training, students will gain an understanding of image manipulation programs, typography, page layout operations, scanning operations, vector based graphics programs, electronic pre-press operations, and color principles. Instruction is provided in the operation of digital production printing systems and electronic pre-press. Students will become proficient in Adobe InDesign, Illustrator, Photoshop and Acrobat and will be eligible to become an Adobe Certified Associate (ACA).

		288 hrs	$933
M – F	Class	9:00 am – 12:30 pm	
M – F	Online	1:00 pm – 3:30 pm	

GRAPHIC COMMUNICATIONS AND PRINTING TECHNOLOGY

1650 hrs | 16 months | Hybrid

Approx. Total Cost $5686

Enrollment: August, October, January, March and June

The Graphic Communications and Printing Technology program is designed to prepare students for entry level employment in the graphic communications industry. Students will become proficient in graphic design, prepress fundamentals, and offset lithography operations. The program provides hands-on training and experience in: graphic design, typography, layout and design, prepress, computer to plate technology, press operations, and bindery and finishing. Students will receive training in Adobe software and will learn page layout, illustration, scanning, and photo retouching.

		288 hrs	$933
M – F	Class	9:00 am – 12:30 pm	
M – F	Online	1:00 pm – 3:30 pm	

TELEVISION PRODUCTION TECHNOLOGY

1200 hrs | 12 months | Hybrid

Approx. Total Cost $4109

Enrollment: August, January and June

The Television Production Technology program is one of the most comprehensive training programs for the industry. Curriculum includes: studio camera, jib camera and remote camera operation, sound mixing and recording, studio and remote lighting techniques, scripting, set and scenery design, teleprompting, technical directing, producing, and video editing. Students edit using Adobe Premiere Pro and Final Cut Pro and are taught video compositing techniques in After Effects and Photoshop. Additionally, students learn preventive maintenance and video monitoring. Training includes hands-on experience through Broward County Public School's television station.

The classroom/lab and studio are located at BECON, 6600 Nova Drive, Davie, FL, 33317.

		288 hrs	$962
M – F	Class	7:45 am – 1:15 pm	
M – F	Online	1:15 pm – 2:15 pm	

Prices are for Florida Residents. All fees are based on the number of days in the semester.
All prices reflect cost for the current semester only. Fees are subject to increase.   Revised 4/20

Business Management

ACCOUNTING OPERATIONS

900 hrs | 9 months | Hybrid

Approx. Total Cost $2938

Enrollment: August, January and June

The Accounting Operations program will provide you with training needed to enter a career in the accounting and business field. Students will learn accounting principles, methods of recording and analyzing business transactions, and how to prepare financial statements, records and forms. Training also includes learning and certifying with QuickBooks accounting software.

		288 hrs $890

Part-Time

M - F   Class   9:15am - 12:45pm*

*Actual start and end times will vary based on internship and online assignments.

Health Science

DENTAL LABORATORY TECHNOLOGY
2040 hrs | 18 months | Traditional

Approx. Total Cost $6972

Enrollment: August and January

Are you looking for a career with high earning potential and flexibility? Then the Dental Laboratory Technology program is for you! If you are creative, detail-oriented, like to work with your hands and can distinguish between subtle shades of color, you can enter a rewarding field. Students will learn how to construct and repair full and partial dentures, fabricate crowns and bridges, apply porcelain, and construct orthodontic appliances. Employment opportunities are available nationwide and you can work for a dental laboratory or own one.

Additional Admissions Requirements:
High School Diploma or GED®, physical examination and immunization record.

M - F	Class	8:00am - 2:30pm

ELECTROCARDIOGRAPH (EKG) TECHNOLOGY
465 hrs | 5 months | Hybrid

Approx. Total Cost $1961

Enrollment: August and January

Make a difference in your life and that of many others by joining the Electrocardiograph (EKG) Technology program. With a blend of theory, detailed skills labs and convenient online assignments, you will be provided with the knowledge and skills necessary to be a well-qualified EKG technician. Students will be trained to operate equipment that measures and records heart activity and will know how to differentiate between normal and abnormal results.

Additional Admissions Requirements:
Physical examination and immunization record, drug screening (approved vendor only), and background check (approved vendor only).

M - Th	Class	3:30pm - 10:00pm

EMERGENCY MEDICAL TECHNICIAN – ATD

300 hrs | 3 months | Traditional or Hybrid

Approx. Total Cost $2996

Enrollment: January, May and September

Learn to work as a member of an emergency medical team administering first aid treatment and transporting sick or injured persons to a medical facility. This program includes: theory, emergency room rotations, fire rescue ride time, handling of equipment and other designated tasks performed under hazardous and non-hazardous conditions. Three (3) fire department rides and three (3) hospital clinicals must be completed on a Friday, Saturday or Sunday.

Additional Admissions Requirements:
High School Diploma or GED®, physical examination and immunization record, drug screening
(approved vendor only), and background check (approved vendor only).

OPTOMETRIC ASSISTING

1080 hrs | 10 month | **Hybrid**

Approx. Total Cost $4085

Enrollment: August

Optometry is a growing medical field, with more people needing glasses and contact lenses than ever before. There are numerous employment opportunities in the field of vision care. Through our program, students will learn the skills necessary to assist eye care specialists in the diagnosis and treatment of vision deficiencies and develop a thorough understanding of the equipment, materials and procedures used in the field. Students will participate in MTC's onsite vision clinic during the program.

Additional Admissions Requirements:
Physical examination and immunization record.

M - F   Class   8:00am - 2:30pm

PATIENT CARE TECHNICIAN

600 hrs | 6 months | **Hybrid**

Approx. Total Cost $2476

Enrollment: August and January

This program offers advanced training for employment in various healthcare facilities under the direct supervision of a professional nurse. The Patient Care Technician (PCT) will come in direct contact with the patient while performing assigned duties for clients in hospitals or nursing homes. Students also receive supplementary training in 12-lead EKG, basic phlebotomy techniques and rehabilitation aide training.

Additional Admissions Requirements:
Physical examination and immunization record, drug screening (approved vendor only), and background check (approved vendor only).
M - F   Class   8:00am - 3:30pm

PHARMACY TECHNICIAN – ATD

1050 hrs | 10 months | Hybrid
Approx. Total Cost $4094

Enrollment: August

As a pharmacy technician, you can become part of one of the fastest growing careers in the medical field. Throughout the program, students are provided with knowledge and skills needed to work closely with pharmacists and other technicians in retail/community, hosptials and many other disciplines. Lab simulations will allow students to obtain hands-on practice prior to the clinical expereinces in the community and hospital pharmacies. This program will prepare you for the Certified Pharmacy Technician (CPhT) credential and in becoming a Florida Board of Pharmacy Licensed technician (RPhT).

Additional Admissions Requirements:
High School Diploma or GED®, physical examination and immunization record, drug screening (approved vendor only), and background check (approved vendor only).

Financial Information

Refund Policy

School Board Policy 6607 governs refunds of all programs.

All refunds shall be accounted for and audit trails maintained in accordance with Business Practice Bulletins issued by the Office of the Chief Financial Officer.

Students who appear at the school in person and voluntarily withdraw within five (5) school days of the beginning of a term shall be entitled to a full refund of tuition, student activity fee, fee-supported cost recovery, and lab/supply fees. Registration fees and Health Science Education fees are non-refundable. Five (5) school days shall not apply to courses less than three (3) weeks or ninety (90) hours in duration. In such cases, the request for withdrawal must be made prior to the course meeting more than one-third (1/3) of its assigned hours. Retention of fees collected in advance for a student who does not enter class shall not exceed $100. Refunds will be made within forty-five (45) days of the date on which the student voluntarily withdraws.

Students involuntarily withdrawn pursuant to the Adult Student Conduct and Discipline Code are not entitled to a refund of any fees.

Students who pay fees but are entitled to a waiver, voucher or agency payment (refer to Policy #6606) shall be entitled to a refund of fees only if required evidence is presented to the school/college principal or his/her designee within fifteen (15) school days of the beginning of the term.

In the case of unusual or extraordinary circumstances (such as illness, death in family, etc.) that preclude a student's enrollment, the school principal or his/her designee may honor a request for full or partial refund of fees providing that: (1) the request is made in writing prior to the date that the course would have normally ended, (2) supporting evidence (where appropriate) is provided. If said refund results in a failure to satisfy state fee requirements, the student shall not be reported for membership during the Workforce Education Fund survey period in the course for which the refund is given. Students who feel they have been treated unfairly in the application of this policy or its rules may appeal using the students' grievance procedure as presented in the Broward Technical Colleges Student Handbook. Refunds, when due, will be made without requiring a request from a student.

Refunds, when due, will be made within forty-five (45) days: (1) of the last day of attendance if written notification of withdrawal has been provided to the school/college by the student, or (2) from the date the school/college withdraws the student or determines withdrawal by the student.

A student is entitled to a full refund of fees if a course is canceled by the school/college principal or his/her designee, provided however, that the student was not reported in membership during the Workforce Education Fund survey period in which the class was counted. If so, only those fees in excess of the state requirements shall be refunded.

Miscellaneous items purchased from the school bookstores (textbooks, uniforms, etc.) may be returned for a full refund provided that the items are unused, in the original packaging and currently being used in the instructional program.

Financial Services

Financial assistance is available to those who qualify. Visit fafsa.ed.gov to apply.

Financial assistance programs are designed to provide assistance to eligible individuals who have the ability to benefit from training and who, without assistance, would be unable to afford to attend. The following financial assistance programs may be available to students depending on the course of study:

- Community Agencies
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Fee Waivers
- Financial Aid Fee Trust Fund (FAFTF)
- Florida Student Assistance Grant (FSAG)
- Scholarships
- Veterans' Educational Benefits
- Vocational Rehabilitation Services

Methods of Payment

Registration, tuition and testing fees may be paid with cash, debit card, MasterCard or Visa. The college is not permitted to cash personal checks.

Veterans Educational Benefits

Most programs are approved for veterans training. For information pertaining to the college's VA approved programs, contact the Veterans Certifying Official.

Transfer Policy

Students with prior training or experience may be eligible for advanced placement upon approval of the institution.

Grading System

The district prescribed guidelines are used to evaluate student performance as follows:

A	90-100%	D	60-69%
B	80-89%	F	0-59%
C	70-79%	I	Incomplete

Articulation

Upon completion of the technical program and meeting eligibility requirements, students may be awarded credits towards an Associate of Science (A.S.) Degree or Associate of Applied Science (A.A.S.) Degree at selected Florida state colleges.
