1. Create an FSA ID

The FSA ID allows users to electronically access personal information on Federal Student Aid websites as well as electronically sign a FAFSA. If you are a parent of a dependent student, you will need your own FSA ID if you want to sign your child's FAFSA electronically. Please go to <https://fsaid.ed.gov> to create an FSA ID. For assistance with your FSA ID, please contact 1.800.557.7394. Do not give your FSA ID to anyone—not even to someone helping you fill out the FAFSA.

2. Complete and Submit the FAFSA Application

Complete and submit the 2020-21 FAFSA application online at www.fafsa.ed.gov. For assistance contact USDOE's Help Desk at 1.800.433.3243. We encourage you to use the IRS Data Retrieval Tool. Your 2018 tax return will be directly transferred to your FAFSA application. This results in fewer errors and quicker processing times. If you do not link your taxes, you must request a 2018 tax return transcript from the IRS. Non Tax Filers must request a Verification of Non-filing Letter and Wage and Income Statement (instructions on back).

3. Confirm Receipt of Application

After submitting the FAFSA application online, please allow 5-7 days and then contact McFatter Technical College's Financial Aid department at 754.321.5744 or 754-321-5804 to confirm receipt of the application.

4. Meet with a Financial Aid Advisor

Once McFatter Technical College has confirmed receipt of your FAFSA application, visit our Campus to meet with a Financial Aid Advisor. No appointment is necessary. Please note additional documentation may be required once your FAFSA application is reviewed.
